

Who We Are?

Inspiring Indian Women (IIW) is a charitable organisation registered in both UK (Company No. 10879951) and India (Company No. 366414), dedicated to empowering women and children through legal support, education, wellbeing programmes, skills development, and economic empowerment.

Founded in 2016, Inspiring Indian Women (IIW) is a global community with a social media reach of over 100,000+ people.

We empower women to:

- Break stereotypes
- Overcome domestic abuse
- Build confidence
- Improve mental wellbeing
- Become financially independent
- Inspire other women

LIFT • SUPPORT • RISE
because every woman
deserves the power to thrive.

Vision

To create a global platform where women can share their journeys, inspire one another, preserve cultural values, achieve economic independence, and build safer, stronger communities.
